

## CS410 Weekly Report

Team Copper AI<sup>2</sup>

Performance Period: Saturday 11/15 - Friday 11/21

### Summary of Group Accomplishments:

- This week the following tasks were completed:
  - The team met with ADS and had a discussion about the final round of questions, as well as the progress of the design presentation.
  - ADS provided generous amounts of information and details for the questions, and they gave insightful comments on the design presentation.
  - The team members wrote a script and prepared for the rehearsal presentation.
  - The Website was updated with new additional content based on the assignment requirements.

### Individual Contributions/Accomplishments: (to be filled out by each individual)

- This week, all the team members engaged in similar activities and tasks. Each team member drafted their own portion of the script for the rehearsal presentation. Additionally, as mentioned before, the entire team met with ADS.

### Key Objectives for Coming Week (top level prototype development objectives)

- Continue updating the slides and the script for the design presentation.

### Issues/Concerns:

- None
