CS410 Weekly Report

Team Copper AI²

Performance Period: Saturday 10/18 - Friday 10/24

Summary of Group Accomplishments:

- This week the following tasks were completed:
  - Feedback from the feasibility presentation was incorporated for the final submission.
  - The team met and discussed the feedback and started getting ready for the Design presentation.

Individual Contributions/Accomplishments: (to be filled out by each individual) This week followed the formal feasibility presentation, and there was not much to do. The team had a discussion over the feedback from the presentation and made changes to the presentation based on the feedback for the final submission. The team also started brainstorming ideas for the Design presentation.

Key Objectives for Coming Week (top level prototype development objectives)
- Start getting ready for the Design Presentation.
- Start organizing and dividing tasks via ClickUp.
  - Integrate ClickUp into the workflow.
- Complete Lab 1 submission as a group.

Issues/Concerns:
- None
